

Add OneLogin Protect app authentication factor

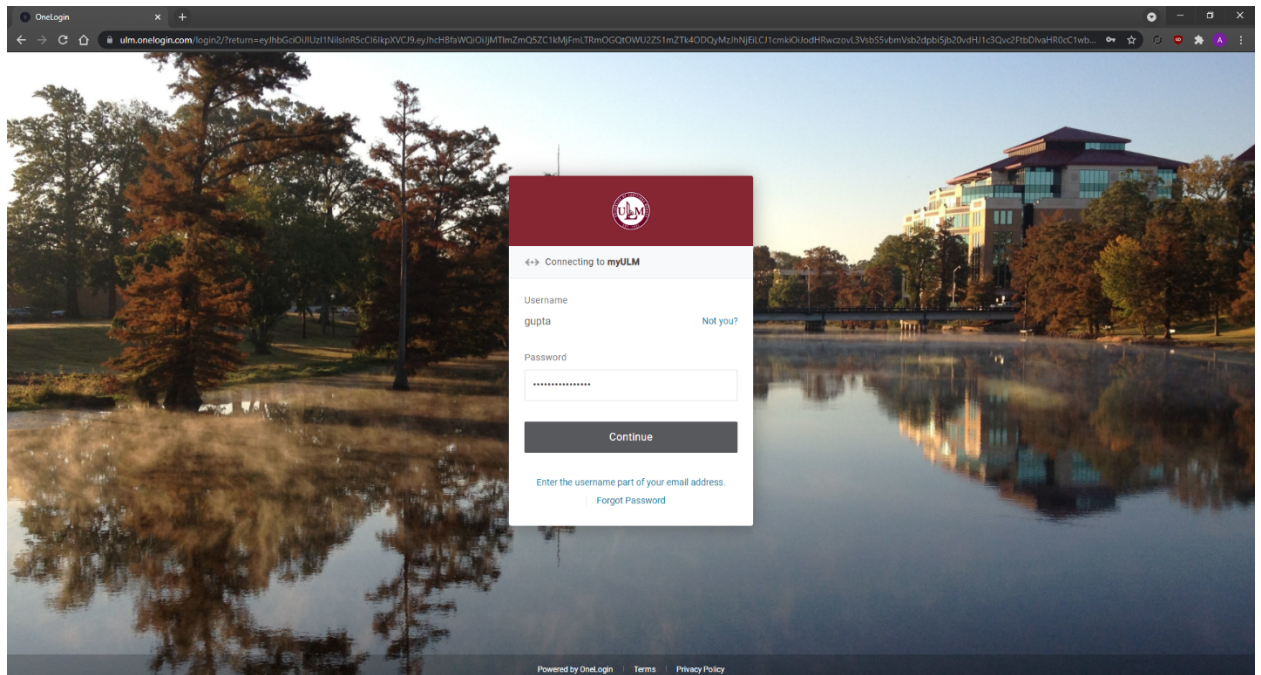

1. Go to my.ulm.edu on a web browser of your choice, and click on Login

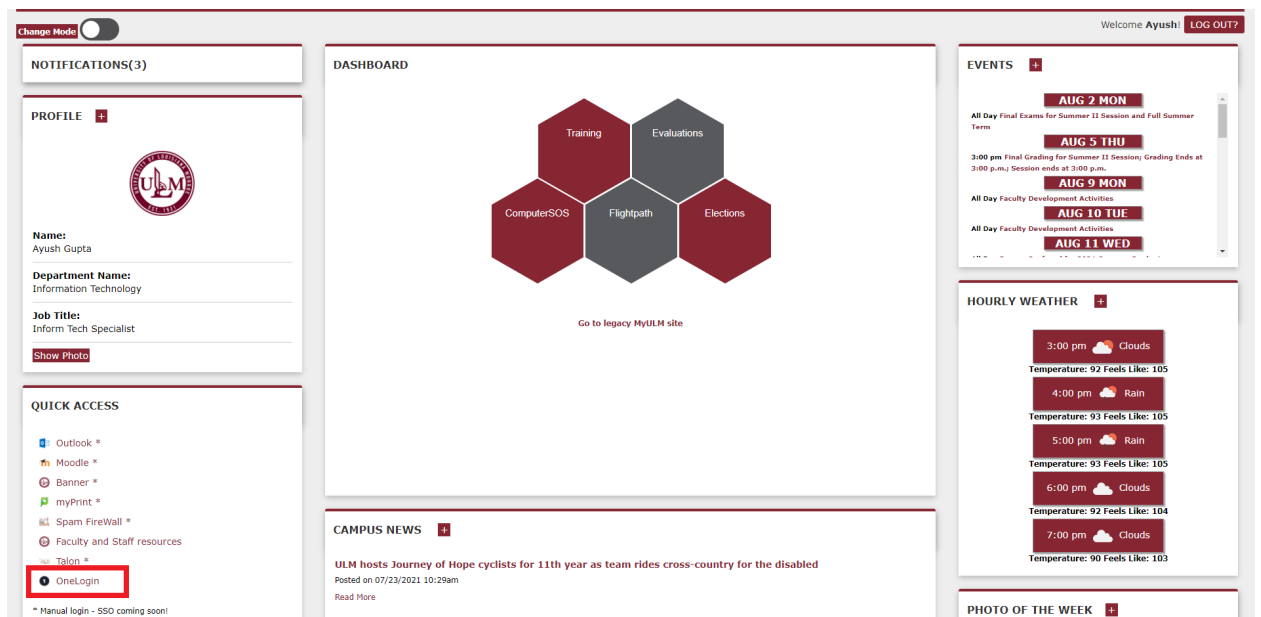

2. Enter your username and hit continue

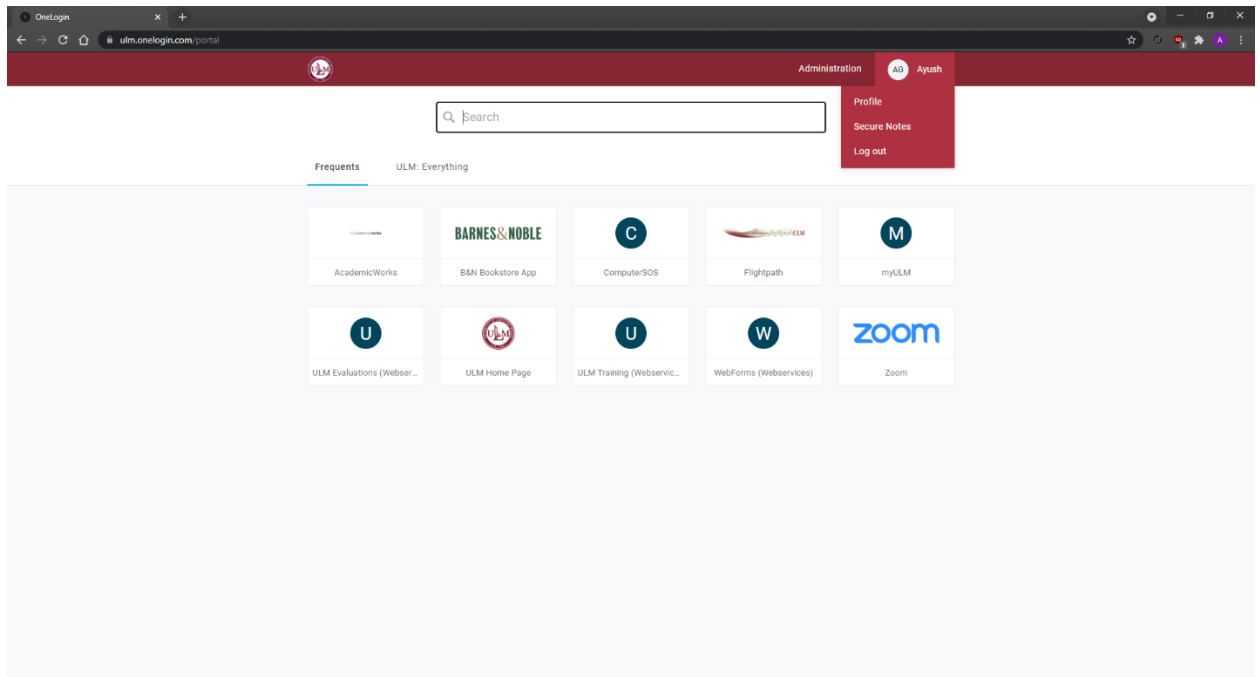

3. Enter your password and hit Continue

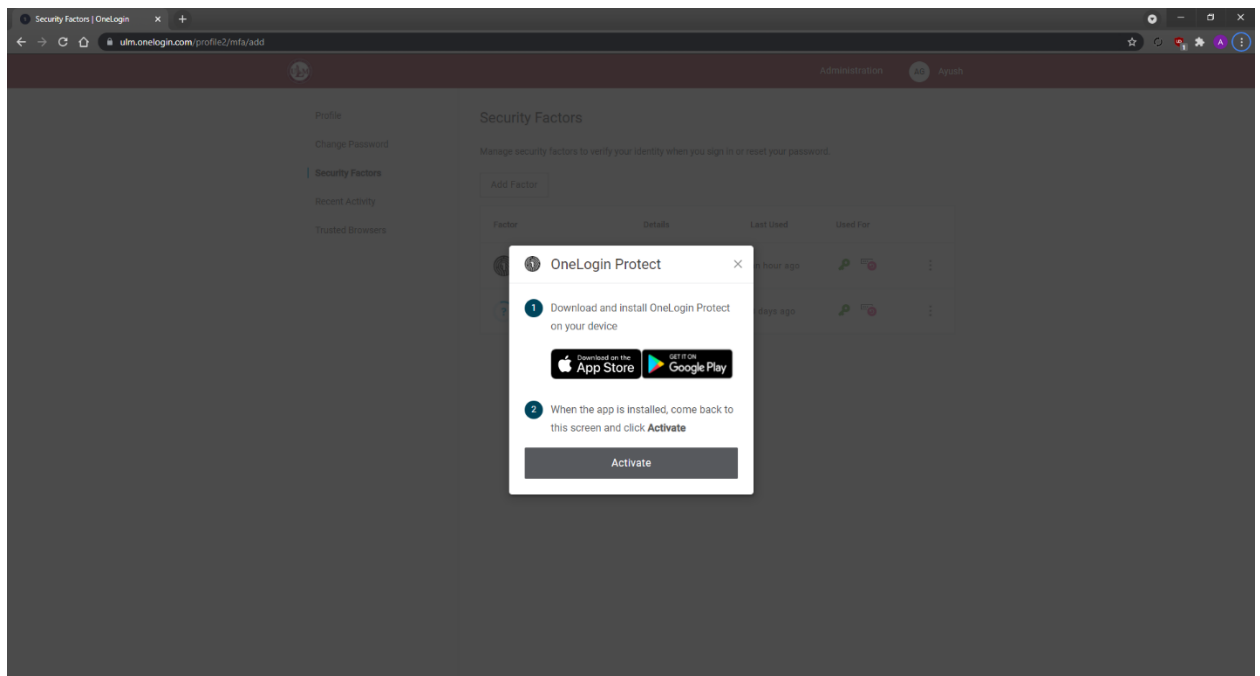

4. Scroll down and find “OneLogin” under Quick Access on the left side of your myULM Dashboard.

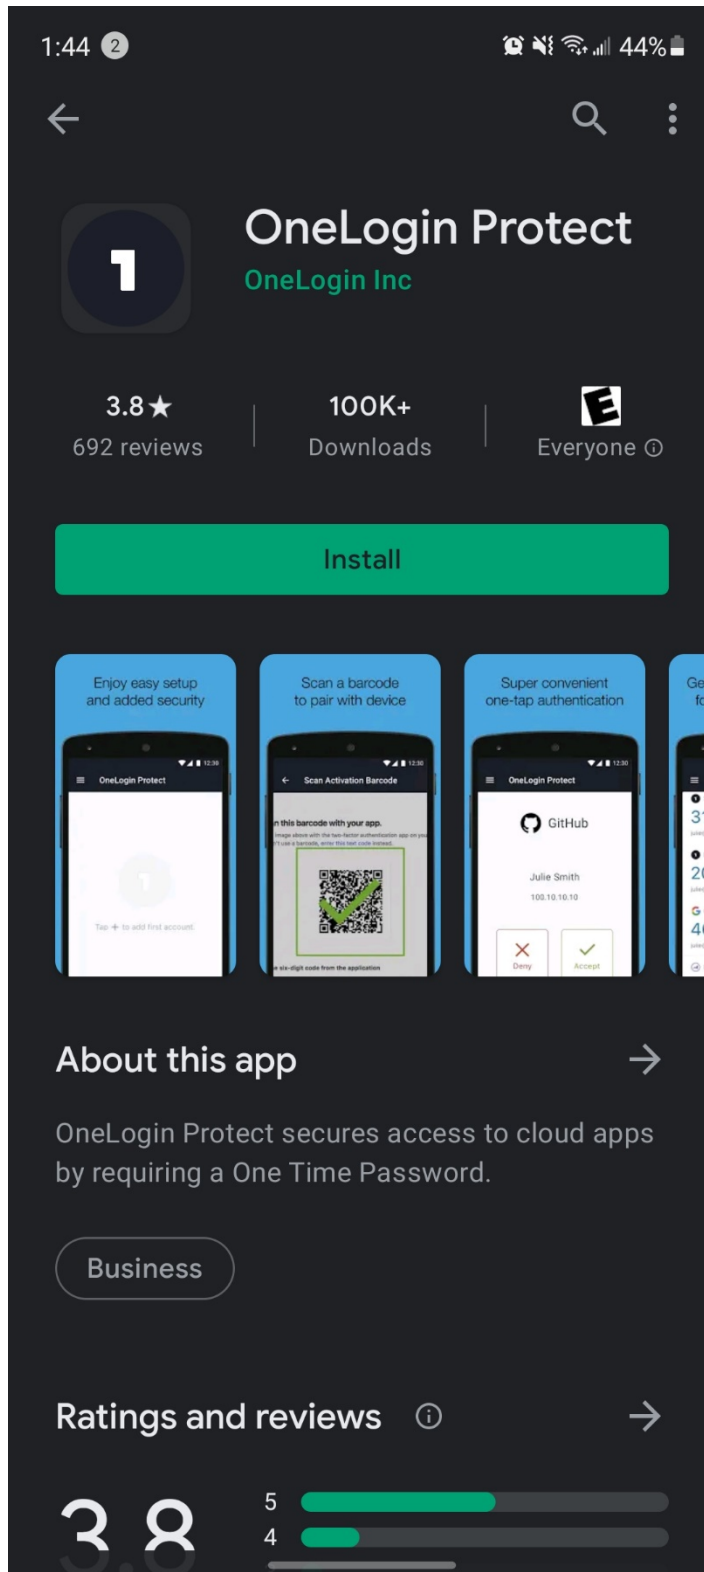

- Click on your name and Click on Profile from the drop-down menu

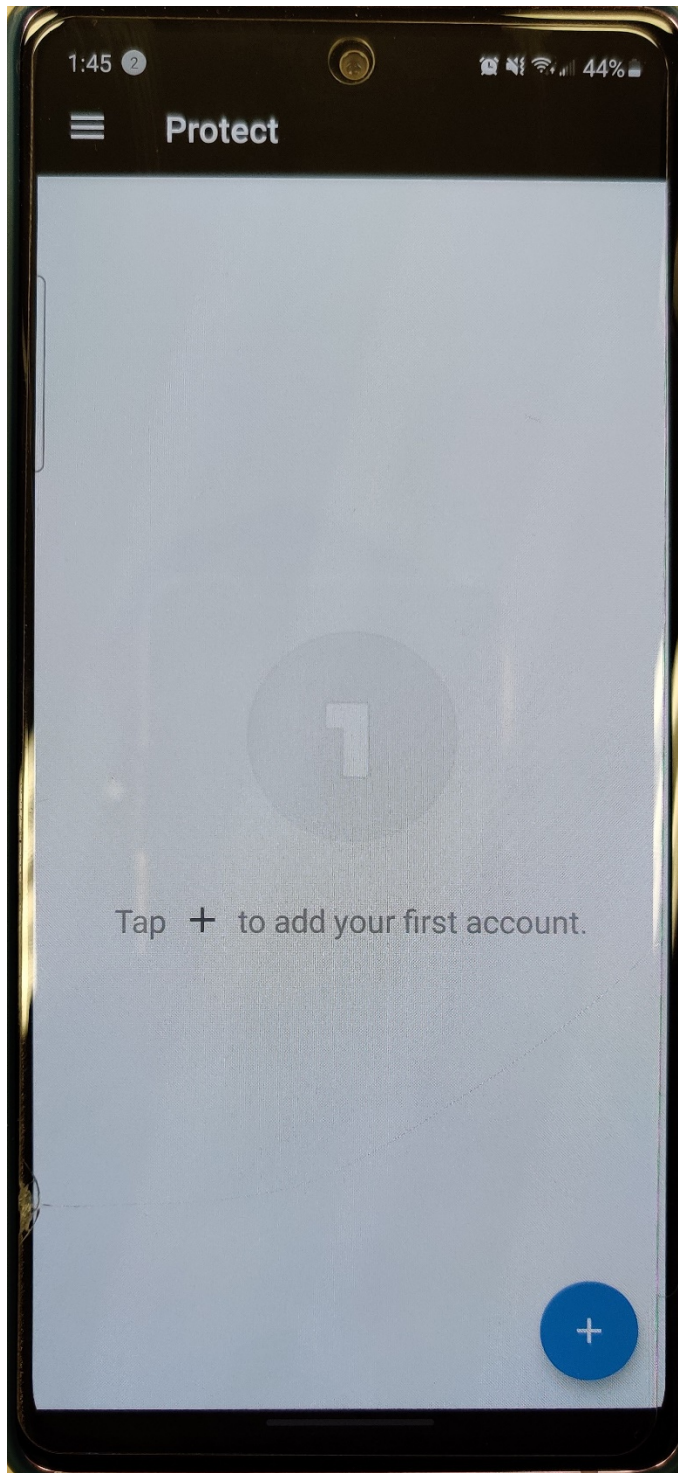

- Click on Security Factors on the left panel, then click on Add Factor.

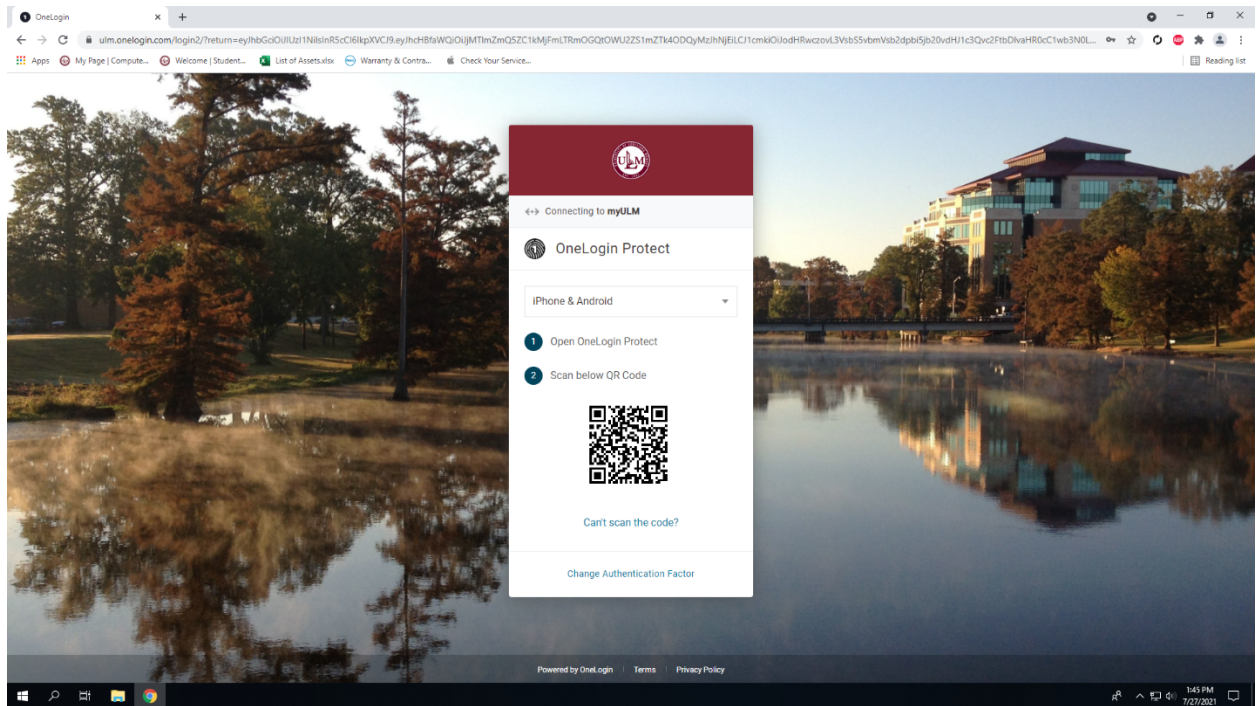

- Click on Activate, and Install “OneLogin Protect” app on your smartphone.

8. Tap on the plus "+" sign at the bottom right.

9. Scan the QR code that shows up after you click activate in step 7.

10. Click Allow
